

## **Fire Safety for the New Year**

Are you looking for a New Year's resolution that can benefit you and your family?

We expect to feel safe and secure inside our homes, so this is a great time to set a resolution for improved fire safety and take a few minutes to make your home safer.

Here are a few reminders from the Enumclaw Fire Department to help keep your family safe during the New Year:

- Test smoke alarms once a month.
- Change alarm batteries annually.
- Develop a fire escape plan.
- Practice the escape plan with your family.
- Make sure you have smoke alarms by each bedroom.

Enumclaw Fire Department wishes you and your family a safe  
and happy new year!
