## Halloween Safety

Information provided by  
Enumclaw Fire Department  
and the National Fire Safety Council, Inc.

### Trick or Treating

- ✓ Walk! Never run.
- ✓ Use sidewalks or walk facing traffic.
- ✓ Look left, right and then left again before crossing streets.
- ✓ Cross at crosswalks and corners.
- ✓ Carry a flashlight and cell phone.
- ✓ Stay away from animals. *Even friendly ones, may not recognize children in costumes.*
- ✓ Never accept a ride from a stranger.
- ✓ Trick or Treat at homes that you know and have the porch lights on.

### Candy

- ✓ Teach your child to wait until an adult has inspected all candy to eat.
- ✓ Check all treat wrappers for signs of tampering before eating.
- ✓ Throw away anything unwrapped. *"If in doubt, throw it out."*

### Drivers

- ✓ Drive slowly and remain cautious.
- ✓ Exit driveways and alleyways carefully.

Know your child's route, who they are with, and when they will be home.

### Costumes

- ✓ Should fit properly and not drag or cause falls.
- ✓ Choose a costume that is flame retardant.
- ✓ Choose a mask that does not impede vision or limit hearing. *Face paint is a safer alternative.*
- ✓ Accent costumes with reflective tape or material that glows in the beam of headlights.
- ✓ Have children carry emergency identification. *Name, address, phone number.*

Using flashlights or flameless candles is a safer alternative to illuminate Jack O'Lanterns.
